§ 248.21 Procurement and property management.

(a) *Requirements.* State agencies shall comply with the requirements of 7 CFR part 3016 for procurement of supplies, equipment and other services with FMNP funds. These requirements are adopted by FNS to ensure that such materials and services are obtained for the FMNP in an effective manner and in compliance with the provisions of applicable law and executive orders.

(b) *Contractual responsibilities.* The standards contained in 7 CFR part 3016 do not relieve the State agency of the responsibilities arising under its contracts. The State agency is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the FMNP. This includes, but is not limited to, disputes, claims, protests of award, source evaluation, or other matters of a contractual nature. Matters concerning violation of law are to be referred to such local, State or Federal authority as may have proper jurisdiction.

(c) *State regulations.* The State agency may use its own procurement regulations which reflect applicable State and local regulations, provided that procurements made with FMNP funds adhere to the standards set forth in 7 CFR part 3016.

(d) *Property acquired with program funds.* State and local agencies shall observe the standards prescribed in 7 CFR part 3016 in their utilization and disposition of real property and equipment acquired in whole or in part with FMNP funds.

§ 248.23 Records and reports.

(a) *Recordkeeping requirements.* Each State agency shall maintain full and complete records concerning FMNP operations. Such records shall comply with 7 CFR part 3016 and the following requirements:

(1) Records shall include, but not be limited to, information pertaining to financial operations, FMNP coupon issuance and redemption, equipment purchases and inventory, nutrition education, and civil rights procedures.

(2) All records shall be retained for a minimum of 3 years following the date of submission of the final expenditure report for the period to which the report pertains. If any litigation, claim, negotiation, audit or other action involving the records has been started before the end of the 3-year period, the records shall be kept until all issues are resolved, or until the end of the regular 3-year period, whichever is later. If FNS deems any of the FMNP records to be of historical interest, it may require the State agency to forward such records to FNS whenever the State agency is disposing of them.

(3) Records for nonexpendable property acquired in whole or in part with FMNP funds shall be retained for three years after its final disposition.

(4) All records shall be available during normal business hours for representatives of the Department of the Comptroller General of the United States to inspect, audit, and copy. Any reports resulting from such examinations shall not divulge names of individuals.

(b) *Financial and recipient reports.* State agencies shall submit financial
